A special meeting of the Board of Supervisors was called to order by chairman Jeff Priddy at 5:33 PM at the Municipal building. Members present were Jeff Priddy, Gene Lammey, Bob Newlin and Secretary/Treasurer Wendy Dettrey. Also present was Josele Cleary from Morgan, Hallgren, Crosswell & Kane, P.C.

An overview was given by Thomas Wyatt from Obermayer, Rebmann, Maxwell & Hippel LLP on the sale of the sewer system. The permits for the pump stations have not been located therefore permits need to be applied for. This delays the sale of the system. There are easements that need to be obtained. Some residents in attendance had concerns on whether they would be forced to hook up if they currently have a well. It was stated that no resident would be forced if they have a well. There are approximately 360 residents on the public sewer system. A resident asked what happens to the money from the sale of the sewer system. It was stated that the Authority is currently \$1,000,000 in debt therefore the proceeds from the sale would pay off that debt and if any monies are remaining will go to the Township.

Motion to adjourn the meeting by Jeff Priddy and seconded by Bob Newlin. The meeting was adjourned at 6:26 PM

Respectfully Submitted,

Wendy Dettrey  
Secretary/Treasurer
